## Half Moon Launches Online Training Manual

Travel partners will now have a tool to increase their knowledge of Half Moon thanks to a new online training manual. The e-tool addresses all the areas of the resort including an interactive map of accommodations.

As new services and features are added to the resort, the online manual will likewise be updated providing partners with the most current information. Agents can access the training manual by visiting the agent-only webpage at [halfmoon.com/agents](http://halfmoon.com/agents)

## FERN TREE *The Spa at Half Moon*

The highly anticipated Fern Tree, the Spa at Half Moon opened its doors October 2007. The spa melds modern spa techniques with Jamaica's ancient healing remedies of native herbs, fruits and botanicals. In addition to the new spa, Half Moon also unveiled six beachfront spa suites.
